Infractions

- If a red card is given, in addition to the red card ejection and subsequent sit-out, the Player must attend the next game in uniform and the verification form must be completed by the referee, who will sign off on the fact that the player/coach did not participate, but was present at the following game.

PLAYER/COACH MATCH SIT-OUT VERIFICATION

As per NTSSA Rule 3.11.2.2, 3.11.2.3, and 3.11.3.9, any player/coach receiving a send-off (Red Card) must sit out the next scheduled game that the player's team is involved in. In order to verify that the offending player/coach serves his/her game suspension, this form must be completed by the coach, assistant coach, or team manager and the referee must sign off on the fact that the player/coach did not participate. The player/coach receiving send-off must then submit this report to the tournament headquarters and/or team's playing league.

Name _____ Team _____ Division _____
Date of Match _____ Opponent _____
Coach/Manager _____ Phone _____
League Name _____
Tournament Name _____

- The form needs to be turned into the office when signed ASAP. Multiple yellow cards will also result in a sit-out.
- Multiple game cards will result in a sit-out and are added up throughout the year.

- C-1.5 Shirt pulling and other similar tactics
- C-1.6 Deliberate hand- ball designed to break up an attack
- C-1.7 Moving hands up and down to obstruct an opponent
- C-1.8 Gesticulating in front of a player taking a free kick or throw-in
- C-1.9 Player leaning on team mate to gain extra height
- C-1.10 Pulling oneself up by the goal post or cross bar to gain an advantage
- C-2 Dissent
- C-3 Persistent Infringement
- C-4 Delays Restart
- C-5 Fails to respect proper distance

RED CARD - EJECTION

- E-1 Serious Foul Play
- E-2 Violent Conduct

- E-4 Intentional ball handling to deny goal
- E-5 Denies goal scoring opportunity
- E-6 Offensive, insulting, or abusive language

Immediately substitute out a player if they get a caution –

- Allowed for that player as it is a stoppage of play
- Allows you to avoid the possibility of a red due to "dissent"
- Discuss the infraction.

NTSSA 3.11.2 Misconduct of Youth Players/Coaches/Assistant Coaches

Bylaw 3.11.2

1. All Member Associations, Playing Leagues and Tournament Officials are directed to operate and keep records on a "CUMULATIVE CARD SYSTEM" for all players/coaches/assistant coaches. Appeals of cards are not allowed except when the referee admits he made an error in the issuance of the card. Cards issued in league play are cumulative during the entire soccer year. When a player transfers to another team his or her accumulated league play cards count against the cumulative card totals for both his or her old and new teams. Player suspensions mentioned in this section, including automatic suspensions "from all NTSSA-sanctioned activities," include all games (including indoor), organized scrimmages, friendly games, and the like, but do not include team practices.
2. A "CUMULATIVE CARD SYSTEM" in league play will be operated as follows:
 - a. **Yellow Cards** One game automatic suspension for the game following an individual's third league play yellow card. Two game automatic suspension for the game following such individual's fifth league play yellow card. One game automatic suspension for the game following such individual's sixth league play yellow card.

NOTE: A player/coach/assistant coach receiving a second yellow card in a single game is suspended for the balance of that game, and those two yellow cards are then added to such individual's previous total of league play yellow cards to determine whether additional game suspensions, if any, are required. Red cards issued solely as a result of a second yellow in a single game will not be added to such individual's league play red card total.

- b. **Red Cards** One game automatic suspension for the game following an individual's first league play red card. Automatic suspension, pending a hearing, from all NTSSA-sanctioned activities following such individual's second league play red card. Red cards issued solely as a result of a second yellow card in a single game will not be added to such individual's league play red card total.

NOTE: In cases where, during a single game, an individual receives a yellow card followed by a "straight red card" (as opposed to a red card issued solely as a result of a second yellow) both cards will be added to such individual's
